

Dear Ms. Billings,

I am writing this letter to apply for a scholarship offered by DEF University to support my graduate studies. I have recently completed my Bachelor's degree in English Literature from GHI College and wish to pursue a Master's degree in the same field.

As a first-generation college student from a financially constrained family, I am in need of financial support to pursue higher education. I believe that the scholarship offered by your university will not only provide me with the financial aid but also encourage me to pursue my academic goals.

I have a strong academic background, with a GPA of 3.9, and I have participated in various extracurricular activities. I have also volunteered at local NGOs, which have provided me with valuable experience and exposure.

I have carefully read and understood the eligibility criteria for the scholarship and have enclosed all the necessary documents along with this letter. I request you to kindly consider my application and provide me with an opportunity to fulfill my dreams.

Thank you for your time and consideration.

Sincerely,

Thank You,

Jonathan Ninja
